

Certificate of Calibration

Calibration Date: Feb 27, 2006

Equipment: Beacon Tester

Model Number: RT100A

Serial Number: 2265

WS Technologies Inc. certifies that this instrument has been calibrated to manufacturer specifications and accuracy at an ambient temperature of $23^{\circ}\text{C} \pm 3^{\circ}\text{C}$ using instruments and standards which are traceable to the National Institute of Standards and Technology. The instruments or standards used for this calibration are calibrated on a schedule which is established to maintain traceability at the required accuracy level.

The recommended calibration interval is 24 months from the Calibration Date shown on this certificate.

A handwritten signature in black ink, appearing to read "Kevin A. Stone", is written over a horizontal line.

Quality Assurance

This certificate shall not be reproduced, except in full, without the written approval from WS Technologies Inc.
